TO

Chief Secretary to the Government of Mysore,

B A N G A L O R E.

SIR,

I have the honor to state that as the supply of paper for printing, writing and other purposes is becoming more and more scarce under the present war conditions, very rigid economy is required to be exercised in the use of paper in the Press. Consequently, I am driven to the necessity of holding back the printing of all ordinary and routine forms that are on the several indents and as well as those required on stray requisitions and have resorted to printing of a limited number only of all urgent and immediate jobs. I am also endeavouring to utilise all papers that have been once used such as those printed on one side only for purposes of proof-pulling. I have with this view also addressed a letter to the Inspector-General of Education, the Registrar of the University of Mysore, and the Secretary to the Mysore Pleaders' Examination to instruct the various Examiners under their respective control to return to the Press all the answer papers of candidates after they are valued and the results announced for being used for pulling proofs. A copy of the letter is enclosed for your kind information.

I have the honor to be,  
Sir,  
Your most obedient servant,

• Superintendent.

SIR,

I have the honor to state that in conformity with the Government Order No. 433-82 fm 146-17-1 & 14<sup>th</sup> Dec 1917 and in consequence of the scarcity of paper supply under the present war conditions, very rigid economy has to be exercised in the use of good paper for ordinary requirements. I therefore propose that all the <sup>answer</sup> ~~question~~ papers of candidates who appear for the various examinations under your control may be ordered to be returned to the Press after the valuation is over and the results are announced, so that they may be utilised for pulling proofs on the unwritten side. A circular may be kindly issued to the Examiners to that effect and the fact intimated to this office.

I have the honor to be,

Sir,
